

Summer 2023 is the summer for Innovation!

The Office of Student Financial Aid & Scholarships is INNOVATING the Financial Aid Process for Summer 2023

NO SUMMER 2023 APPLICATIONS ARE REQUIRED!

We are using your pre-registered enrollment hours, to create an award offer for you, however, there are some enrollment requirements

- ALL XU students *anticipating* Summer 2023 Financial Aid offers **must** be enrolled in at least 6 Credit Hours for the Summer terms.
- If you fail to attend 6 or more hours, your financial aid offer will not disburse to your student account.
- After your attending hours have been verified of being at least 6 hours, your Federal Financial Aid will disburse for Summer 2023.

NOTE:

If you are awarded College work-study, your contract will be prepared for working during Summer 1 session only (must be enrolled in 6 or more hours). Students who attend classes virtually are not eligible to participate in the Federal College Work-study program

NOTE:

ALL XU students must be meeting Satisfactory Academic Progress (SAP). SAP will be ran after the end of Spring 2023, so if your SAP status changes, your award offer is no longer valid.

Press Forward. Fear Nothing.
