

New Processes in Financial Aid

In our continued efforts to enhance service we are making significant changes to the financial aid process.

Here's what you can expect to see beginning 05/14/18:

New Financial Aid Verification Process

Xavier University of Louisiana is implementing a new online system that will speed up the verification process. The new online system will be available to use for the Fall 2018 semester, to students who are selected for verification by the U.S. Department of Education. If your FASFA application is selected for Verification, you will receive an email to your XULA email address to begin the process.

Here's how the new process will work, beginning the 2018/2019 school year financial aid applications:

1. You will fill out the Free Application for Federal Student Aid (FASFA).
2. Some students who apply for financial aid will be selected for verification. If you are selected for verification, you'll get an email notification at your XULA email address explaining what you need to do to begin the process. View the [steps for verifying your identity](#).
3. Some students will be contacted so that we can address other specific issues, such as inconsistent documentation. As always, it's important for you to respond to any communication you may receive so that we may complete your financial aid process.

Have Questions?

If you need more information about these changes, please contact the Financial Aid Office at (504) 520-7835.
