Xavier University Campus Leaders Make Annual Who's Who List

New Orleans LA - One hundred and fifty student scholars from Xavier University of Louisiana will appear in the 2017 edition of *Who's Who Among Students in American Universities and Colleges*, an annual chronicle of the nation's outstanding campus leaders.

The students – chosen by XU department chairs and faculty and approved by the editors of the directory – were selected based on their academic achievement, service to the community, leadership in extracurricular activities and potential for continued success. They join an elite group of students from more than 2,000 institutions of higher learning in all 50 states, the District of Columbia and several foreign nations.
