Introduction

Thank you for taking time to read this year's annual security report. This report is designed to provide you with important information about safety and security on campus. In addition to outlining the details of the many programs that Xavier University of Louisiana offers community members, the report also contains statistics about crime on campus. When you review the statistics, you will note that Xavier University of Louisiana is an extremely safe campus. The safety you experience on campus is due in part to the combined efforts of many different departments and individuals. Campus safety is a shared responsibility and we rely on every community member to contribute to security and safety on campus by reporting suspicious activities and using common sense approach when going about their daily activities

Xavier University of Louisiana prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, formerly the Crime Awareness and Campus Security Act of 1990. Information and statistics are maintained by the Xavier University Police Department.

A Message from Jacques Battiste, Chief of Police

The Xavier University Police Department is committed to providing Xavier University with a safe learning environment. Although reported crime at Xavier University is relatively low, it is important to remember that we are not immune from criminal activity. Therefore, we share many of the crime and safety issues that exist in any city. In partnership with the community, we work to prevent crime and solve problems that affect students, faculty, and staff. The safety and security of the University is the combined responsibility of the entire Xavier University community.

In order to meet this goal, the department has a strong partnership with the community. We recognize that we provide services with consent from our community and support the idea that all relationships require constant nurturing. We are committed to the philosophy of community-oriented public safety and problem solving which we carry out through our community.

In addition, we focus on the emergency management function which requires a comprehensive approach to preventing, preparing for, responding to, and recovering from emergency situations. Xavier University has a proactive approach to planning for emergencies and these efforts are led by the Campus Police Department.

Finally, the department is charged with the enforcement of the institution's policies and regulations, federal, state and local laws. This function is essential to maintaining an environment that is safe and allows our educational mission to occur without disruptions.

If you have questions or would like further information about safety and security, please visit us at www.xula.edu or contact us at (504) 520-7490.

Xavier University Police Department

The Mission of the Xavier University of Louisiana, Office of University Police, is to provide a crime free environment and promote programs on Crime Prevention, Safety & Security Awareness, Risk Reduction and Avoidance as comprehensive approaches to meet the goals of the Department and the University.

The Office of University Police is located at the Carrollton Avenue entrance of the University, corner of South Carrollton and Drexel Drive (3801 South Carrollton Avenue). The location provides convenient access to the entire campus, as well as serving as an information center for visitor. It is open 24 hours a day for students, faculty, and staff seeking assistance or to report any suspicious persons, activities and/or circumstances, or emergencies occurring on campus.

Each member of Office of University Police is a trained officer who holds a state of Louisiana police commission or a special officer commission issued by the New Orleans Police Department. Although the commissions authorize University Police Officers to be armed and to apprehend persons who have been observed committing criminal acts, the primary missions of the University Police Department is to prevent and serve as a deterrent to criminal activities within the jurisdiction of Xavier University of Louisiana and its subsidiaries.

Services performed by the Office of University Police include but are not limited to:

Securing and Opening Buildings; Vehicle, Bicycle and Foot Patrols of properties; Enforcement of University Rules and Regulations; Enforcement of State Laws & Municipal Ordinances; Investigation of Criminal Violations & Auto Accidents; Crime Prevention & Personal Safety Programs; Emergency & Personal Escorts Services; Security Surveys (on & off Campus).

Working Relationships with Local Law Enforcement

The Xavier Police Officers work closely with government agencies, New Orleans Police Department, Louisiana State Police and Federal Bureau of Inspections. We rely on these relationships for support on several levels. This arrangement gives us immediate access to mutual aid and support from these departments.

Reporting to Police

We encourage all members of the University community to report all crimes and other emergencies to the Xavier University Police Department immediately. If you are a witness or victim of a crime, it is important to report the crime so you can get help and support. For the purposes of ensuring that accurate and up-to-date crime and safety information is reported to all University constituencies, these other University departments include, but are not limited to: Office of Students Affairs, Office of Health and Wellness, University Housing, and the Title IX Coordinator.

We encourage University community members to report crimes promptly and to participate in and support crime prevention efforts.

Reporting to Other Campus Security Authorities

While the University prefers that community members promptly report all crimes and other emergencies directly to the Xavier University Police Department, we recognize that some may prefer to report to other individuals or University offices. The Clery Act recognizes certain University officials and offices as “Campus Security Authorities (CSA).” The Act defines these individuals as “officials of an institution who have significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline, campus judicial proceedings, health services, Title IX and athletics. CSAs are responsible for reporting crimes to the Xavier University Police Department, including crimes where the victim chooses to remain anonymous. Reports filed with CSAs are counted and disclosed in the Annual Security Report.

Voluntary, Confidential Reporting

If you are the victim of a crime and do not wish to pursue action within the University or criminal justice system, we encourage you to make a confidential report to the Xavier University Title IX Coordinator, medical staff at Health Services, or mental health counselors. The purpose of a confidential report is to comply with your wish to keep your personally identifying information confidential, while taking steps to ensure your safety, the safety of others and provide resources. The confidential reports allow the University to compile accurate records on the number and types of incidents occurring on campus. Confidential reports filed in this manner with the Xavier University Title IX Coordinator and University Health Services are counted and disclosed in the Annual Security Report. Confidential reports made to professional counselors are not disclosed in the Annual Security Report.

TIMELY WARNINGS AND CRIME BULLETINS

Timely Warning

In the event a selected crime occurs or other situation arises, either on or off campus, that, in the judgment of the Chief of the Xavier University Police Department or designee, may pose a serious or continuing threat to members of the community, a campus wide “Timely Warning” will be issued.

Depending on the particular circumstances of the crime, especially in all situations that could pose an *immediate threat to the community and individuals*, a timely warning will be issued through email, text, or web alerts.

Crime Bulletins

If there is not an immediate threat to the community and individuals, the Xavier Police may still issue a “Crime Bulletin” at the appropriate time with regards to the incident and subsequent investigation to the campus community. Generally, these are situations where the incident is not exigent in nature and/or due to investigation a delay in releasing information is merited and does not compromise the safety of the campus community. Crime Bulletins are normally distributed to students, faculty, and staff via campus wide e-mail and other methods.

CRIME STATISTICS

Crime statistics, provided in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, are for your information. Daily Crime & Fire Log

The Xavier Police maintains a combined Daily Crime & Fire Log of all incidents reported to them. It publishes an activity log every day, which is available to members of the press and public. This log identifies the type, locations, and time of each criminal incident reported. Upon request, a copy of any maintained Daily Crime Log will be made available for viewing, within forty-eight hours of notice.

Crime Mapping

Working with over 900 agencies across North America, CrimeReports is the largest online resource for accurate, up-to-date crime information. The CrimeReports network offers a family of affordable, easy-to-use software tools for law enforcement agencies to understand crime trends and share current neighborhood crime data with the public.

CRIME PREVENTION INFORMATION

Protect Your Property

- Use a “discus” style padlock (not the “master lock” type) on all storage units. Check the unit periodically to make sure nothing has been disturbed.
- Don’t lend your keys. Keys can be duplicated.
- Don’t mark your key chain with your name, address or license number. Lost keys can lead to theft.
- Engrave or mark all valuable personal property with your name and driver’s license number. Keep an inventory of items.
- Move valuable items out of easy sight of windows and doors.
- Lock your vehicle at all times.
- Copy all important papers and cards that you carry in your purse or wallet, including your driver’s license. Keep the copies in a safe place – the information will be invaluable if they are lost or stolen.
- Copy your vehicle ID and tag number. If your vehicle is stolen, it cannot be entered into the nationwide law enforcement network without this information.

Inside Your Car

- Check the back seat before entering.
- Keep your vehicle doors locked at all times, even when driving in daylight, so no one can jump in at a red light.
- Keep enough gas in your tank for emergencies. Don’t offer rides to anyone you do not know, even if her or she claims to be a student.
- Honk your horn – a good deterrent – if someone suspicious approaches your vehicle. Criminals don’t like attention.
- Lift the hood, put on the flashers, and wait inside for help with the doors locked if your car breaks down. Ask people who stop to call the police or AAA for you. Don’t accept a ride with anyone you do not know.

At Home

- Keep doors locked at all times, even if you are only away for a few moments. Do not “prop open” doors in the residence halls.
- Be assertive and demand that any unwanted person in your residence leave, or leave yourself. Anyone who refuses to leave is a trespasser. If you live in a residence hall, call XUPD.
- Make sure hallways, entrances, garages, and grounds are well-lit. Leave porch lights on all night. When you expect to return after dark, leave an interior light on with shades drawn. If you live on campus, report any malfunctioning light.
- Know who is at your door before you open it. Campus staff should carry identification, and no solicitors are allowed on campus. If you live off campus, install a peephole in your front door.
- Make calls for strangers who want to use your phone. Don’t open your door or let them in.
- List initials and last name only on your mailbox or door and in the telephone book.
- Get to know your neighbors. If you live off campus, join a neighborhood watch system and share information on suspicious circumstances.

Away From Home

- Walk or jog with a friend. Avoid jogging after dark. If you must, stay in well-lit areas; walk midway between curbs and buildings and away from alleys and bushes.

- Don't stop for stranded motorists. You are of greater help to them by calling the police.
- Keep valuables in the trunk of your car, not on the seats.
- Park your car in well-lit areas.
- Remove all keys from your vehicle. Thieves look for keys. Walk with your keys in your hand.
- Tell someone where you are going and when you will return.
- Don't fight back if your purse or wallet is snatched. Turn it over to the thief rather than risk personal injury, and call the police immediately.
- Be careful about when and where you patronize Automatic Teller Machines (ATM). Accessing ATM cash in remote location, particularly after nightfall, could expose you to risk of robbery and personal injury.
- Avoid working or studying alone in a public-access building at night.

If You Have a Disability

- Use reflective tape on wheelchairs or other mobility aids.
- Use designated sidewalks. If you have a visual impairment, be sure to get thorough orientation. In unsure about hazards, please ask. Remember to use your cane properly.

Residence Hall Safety

Residence hall exterior doors are locked at all times. To gain admittance, visitors must call their student-host to meet them. Students are urged not to allow entrance to anyone who is not their guest. Visitors are to be escorted at all times by their student-host, who is responsible for their actions and behavior. University Housing staff gives high priority to the security of residents. Resident assistants receive training in safeguarding security, and monitor building safety measures on an ongoing basis. Student staff who work in the residence hall make periodic checks of floors and exterior doors, and report security-related matters to Facilities staff or to the police.

Each semester, campus police and Housing staff jointly present safety programs to all residents. In addition, fire evacuation drills will be conducted in every hall each semester. Fireworks, explosives, weapons, candles, incense, and flammable liquids are strictly prohibited in the residence halls, as are all devices using an open flame or open heating element. Falsely activating or tampering with fire safety equipment violates state law and creates dangers for the entire residential community in the case of real fire or emergency.

SAFETY & SECURITY INITIATIVES

Physical Security Analysis

Campus police officers, who are state-certified crime prevention practitioners, regularly visit residence halls and other multiple-living units to inspect lighting, shrubbery and all entry points. Officers review security procedures followed up by making recommendations to appropriate administrators.

Alcohol & Drugs

Xavier University has established standards of conduct concerning the possession, sale, serving, and consumption of alcoholic beverages and drugs on the Xavier University campus and property. These policies and rules reflect a concern for the health and safety of the campus community and apply to University faculty, students, staff, visitors, and guests.

The use of tobacco is prohibited on all Xavier University property and inside University owned or leased

vehicles. Xavier University will take action and can sanction or terminate employees for violating the policy, and students can be subject to disciplinary action. For the specific regulation, please refer to the *Xavier University Student & Employee Handbooks*.

The State of Louisiana declares that it is unlawful for any person under 21 years of age to possess or consume alcoholic beverages. It is unlawful to sell, give, serve, or permit alcoholic beverages to be served to anyone under 21 years of age. Furthermore, servers can be held civilly liable for damage caused by underage drinkers to whom they provided alcoholic beverages.

It is unlawful to be under the influence of, use, possess, distribute, sell, offer, or agree to sell, or represent to sell narcotics, hallucinogens, dangerous drugs, or controlled substances, except as where permitted by prescription or law. Violations of these laws are dealt with both through the criminal courts and through the Officer of Student Affairs. Students found liable are subject not only to criminal prosecution but to administrative sanction.

SEXUAL MISCONDUCT, SEXUAL/GENDER BASED VIOLENCE

Sexual misconduct, including sexual harassment, sexual violence (rape, sexual assault, domestic violence, dating violence, and stalking), and all other forms of sex discrimination (including, but not limited to, gender based hostility/violence and sexual stereotyping) are violations of University policy and contrary to the University's values, which recognize the dignity and worth of each person. Sexual misconduct will not be tolerated by Xavier University, whether by faculty, staff, students, visitors, or others.

The University continues to actively and aggressively provide institution-wide programs and services to educate our students and university community on responsible conduct, the meaning of consent, how to properly report cases of sexual misconduct, and how to hold individuals accountable for their behavior.

If you experience sexual misconduct, Xavier University wants to assist you. Xavier University's policies prohibit retaliation for making complaints of sexual misconduct. You have rights and options.

SUPPORT SERVICES

Xavier University and the local community provide victim advocacy, medical services, mental health services, counseling services, and assistance with legal matters

REPORTING OPTIONS

You have the right to file a complaint with the police and with other University Officials at Xavier University. Reports made to the police and reports made to other University Officials are a separate process, but you can pursue both paths simultaneously.

Victim Advocates are available to help you consider reporting options in a confidential setting. As a survivor, you have the right to:

- Report the crime to the police
- Receive assistance from the Title IX Coordinator in reporting the crime to the police
- Decline to notify the police
- Report the crime to University officials, whether or not you choose to notify the police

You may pursue both a criminal investigation with the police and/or a University Title IX complaint investigation, as different options are available through each process.

If you wish to pursue criminal action, you should contact the police as soon as possible and preserve any physical evidence.

- Try to remain calm and alert.
- Stay on the phone with the dispatcher as long as you are needed.

- Do not change your clothing.
- Do not clean your body or your clothes.
- Do not disturb or alter the crime scene.

The preservation of physical evidence may be critical for successful prosecution of the offender.

University Reporting

There are many ways you can make a university report. You can make a sexual misconduct/gender based violence complaint to the University by bringing the matter to the attention of any of the following (verbally or in writing):

- Report directly to Campus Security (504) 520-7490

- Keep your hands visible
- Call 911 when you are safe

HIDE

- Hide in an area out of the threat’s view
- Lock door or block entry to your hiding place
- Silence your cell phone (including vibrate mode) and remain quiet
- Remain Quiet and out of sight (if possible)
- Turn off all lights in the location
- Improvise a way to secure all doors

FIGHT

- Fight as a last resort and only when your life is in imminent danger
- Attempt to incapacitate the threat

SEX OFFENDER REGISTRATION – CAMPUS SEX CRIMES PREVENTION ACT

The Federal Campus Sex Crimes Prevention Act requires colleges and universities to issue a statement advising the campus community where state law enforcement agency information concerning registered sex offenders/predators may be obtained. The act also requires registered sex offenders/predators to contact the appropriate state officials and provide notice of each higher education institution in that state at which the offender/predator is employed, carries on a vocation, volunteers or is a student. Specific information regarding convicted and released sexual offenders and

predators in the community including those reported as being associated with a specific university/campus may be obtained by accessing the sexual offender registry link on the Louisiana State Police web page at: <http://www.icrimewatch.net/louisiana.php>

NOTIFICATION OF MISSING STUDENTS

If a member of the University community has reason to believe that a student who resides in on-campus housing is missing, he or she should immediately notify the Xavier University Police Department at (504) 816-4911. The Xavier University Police Department will initiate an investigation. Xavier University Residence Life will notify the Xavier University Police Department within 24 hours of the determination that the student is missing, unless the local law enforcement agency was the entity that made the determination that the student is missing.

After investigating the missing persons report, should the Xavier University Police Department determine that the student is missing, the XUPD shall, within 2 hours after receipt of the report, transmit the report for inclusion within the Louisiana Criminal Justice Information System (CJIS) and the National Crime Information Center (NCIC) databases. The information is also relayed to other local and surrounding law enforcement agencies. If the missing student is under the age of 18 and is not an emancipated individual, Xavier University is required to notify the student's parent or legal guardian immediately in addition to notifying any additional contact person designated by the student after XUPD has determined the student is missing.

In addition to registering an emergency contact, students residing in on-campus housing have the option to identify confidentially an individual to be contacted by Xavier University in the event the student is determined to be missing. If a student has identified such an individual, Xavier University will notify that individual no later than 24 hours after the student is determined to be missing. Missing student contact information will be registered confidentially, and the information will be accessible only to authorized campus officials. Missing student contact information may not be disclosed, except to law enforcement personnel in furtherance of a missing person investigation. A student may register one or more individuals to be a contact strictly for missing person purposes. The contact person can be anyone. Students will be given this option if they have already identified a general emergency contact. A student emergency contact is also the missing person contact. Students are offered the option annually regardless of whether they chose to register a contact the previous year. If any students move into on-campus student housing mid-year, they are offered the option to register missing person contact information at that time as well. Any on-campus resident student may register missing person contact information by signing-in to their Housing portal and updating their missing person contact information.

Higher Education Opportunity Act (Public Law 110-315)

2016 FIRE SAFETY – ANNUAL COMPLIANCE REPORT

****Stats for 2016* Overview***

The Higher Education Opportunity Act (HEOA) specifies new campus safety requirements regarding fire safety issues for all Title IV institutions that maintain on-campus student housing facilities. These disclosures are a subset to the overall Annual Security report prepared by the institution. In summary, this act requires all college/university campuses nationwide to make public their fire safety information, statistics and all fire-related events to students and their families. This public disclosure is intended to inform current and prospective students of the fire safety programs and policies in place, and the institution's state of readiness to detect and respond appropriately to fire related emergencies.

General State of University owned/controlled student housing

Xavier University operates residence halls on-campus and one apartment style residence hall. All on-campus residence halls and apartments are protected throughout with complete supervised fire alarm systems, which are monitored 24 hours/day, seven days/week by a private company. In addition, all of the facilities are fully protected with integrated automatic sprinkler systems. All buildings contain portable fire extinguishers.

At Xavier University all Residence Hall staff receives comprehensive fire safety training at the beginning of each academic year. In addition, a quality control program that covers emergency and evacuation procedures is reviewed regularly with the occupants and staff of each respective residence hall. Finally, planned fire drills, coordinated with the University Police, EH&S Safety Personnel and Residence Halls Staff are conducted at the beginning of each semester that a facility is to be occupied.

Fire Safety in Residence Halls

During fire alarms, residents may not use elevators and should use the nearest stairway to leave the building. Evacuation drills, held at least once per semester, help familiarize residents with procedures to evacuate the building safely. Recommended evacuation routes are provided throughout the residence halls. Always leave the building when you hear the fire alarm. Do not tamper with fire equipment such as extinguishers, hoses, and alarm pull stations or disable or cover smoke detectors. Intentionally activating a false fire alarm is a violation of Louisiana R.S. 14:59 and the Xavier University Student Conduct Code and Employee Handbook. Anyone who activates a false alarm is subject to disciplinary action as well as criminal prosecution. At no time may anything be hung from sprinkler system pipes or sprinkler heads. Damage to this system could cause damage to personal belongings and to residence hall property. Candles, even for decorative purposes, are prohibited in all University residence halls.
