

MR. CLARENCE JUPITER '48

In gratitude for the generous contributions of scholarship donors, we introduce the Clarence J. Jupiter '48 Scholarship Society to recognize donors whose lifetime giving to the scholarship program totals \$10,000 or more and/or who have established annual or endowed donor named scholarships at Xavier University of Louisiana during the Centennial Campaign. Because of their benevolence, **"Doors of Opportunity"** are open to allow talented and deserving students to study in their chosen fields.

"We must open the doors of opportunity. We must equip our people to walk through those doors."

~ Lyndon B. Johnson

36th President of the United States of America

The Society is named after Mr. Clarence J. Jupiter '48 who in 1968 was named as the first Director of Development under the new lay administration at Xavier. He was later named Vice President for Development, a post he held until his retirement in 1998. In those capacities he spearheaded Xavier's fundraising, alumni relations, and public affairs, and was the **"architect"** at Xavier. In recognition of those achievements, the Council for Advancement and Support of Education endowed in Mr. Jupiter's name the Clarence J. Jupiter Fellowship Program in Institutional Advancement.
