

# LOYALTY

## Society

The Annual Fund at Xavier University of Louisiana is the lifeline to the University's operation. Gifts to the Annual Fund benefit the entire Xavier community by funding student life, maintaining and enhancing campus infrastructure, and securing renowned faculty.

The Loyalty Society honors donors who have made a commitment to Xavier by making consecutive Annual Fund gifts.

The levels of membership range from the Ambassador level, which is reserved for our recent graduates who are making their first commitments to annual giving to the Annual Fund, to a number of others giving levels for those donors who have supported the Annual Fund for multiple years.
